Partner

 **Kapish**
a Citadel Group Company

As a Tier 1 Software Platinum Business Partner, Kapish aims to provide its customers with the best software, services and support for all versions of the Electronic Document and Records Management System, HP TRIM, HPE Records Manager & Micro Focus Content Manager (CM).

We help our customers overcome the everyday challenges associated with information governance and document / records management through software and services that improve the user experience and maximise return on investment. Focused exclusively on CM, our extensive range of software solutions are designed to easily integrate into existing systems or be implemented as new solutions, enable projects to be delivered faster, more effectively and with a higher degree of success.

Kapish is a member of the Citadel Group. Citadel solve complex problems and lower risk to our clients through our tailored advisory, implementation and managed services capabilities. With over 250 staff nationwide and an ability to 'reach back' and draw on the expertise of over 1,500 people, we are specialists at integrating know-how, systems & people to provide information securely on an anywhere-anytime-any device basis.

Whether you are considering implementing Content Manager for the first time, extending the use or improving the uptake of your existing Content Manager implementation or simply want some advice, don't hesitate to contact us. We're here to help.
